EXTRACT FROM ESTABLISHMENT ORDER S.I. NO 109 OF 2000 / AMENDMENT ORDER S.I. NO 575 OF 2004

“(o) prepare clinical practice guidelines for pre-hospital emergency care and make such guidelines available to pre-hospital emergency care service providers and such other persons as it may consider appropriate.”

COUNCIL POLICY: IMPLEMENTATION TIMEFRAMES OF CLINICAL PRACTICE GUIDELINES (CPGs)

- 1 New or updated CPGs shall be published annually by Council on the PHECC website. Should an issue of patient safety or other issue emerge a special release of the appropriate CPG shall occur outside this timeframe.

- 2 Following the publication of new or updated CPGs;
 - 2.1 Pre-hospital emergency care service providers approved to implement CPGs shall ensure, within eighteen months that 99% of practitioners acting on their behalf are updated. This criterion will be added to the PHECC requirements of CPG approved organisations.
 - 2.2 New or updated practices may be initiated by practitioners once competent.
 - 2.3 Previous versions of the updated CPGs shall, following an eighteen month period, be withdrawn.

- 3 Practitioners shall be required to complete updating of new or updated CPGs within eighteen months of publication:
 - 3.1 as part of continuous professional competence, and
 - 3.2 in order to re-register with PHECC.
